

We Need Your Help!

We need letters of support from our riders!

We want to hear how we've impacted your life. Tell us about yourself and how we help you in your day to day living. Include helpful information such as: how many times you ride on average in a week, if you've had rides denied because the schedule is full, if you think we need an additional vehicle, things you'd like to see us offer, etc.

Send Letters to:

Thomas County Transportation Service

300 N. Court Ave

Colby, KS 67701

Please help us and send us your letter as soon as possible.
