

We Will Be Changing!

Effective July 01, 2017 Thomas County Transportation Van Service is changing from a requested donation per ride to a set fee. The new fee is \$1.00 per person per drop off location in the City of Colby.

Rates of rides outside the City of Colby limits will be based on location zone.

Riders will be expected to provide exact change as they get onto the vehicle.

We will still have punch cards available for purchase that can be used instead of cash for rides in 10, 20 and 30 punch options. The cost will be based on each Zones card.
